Re: November 13, 2018 Notice of Violation  
DEQ/EPA Identification Number: NED981723513  
IIS#: 58562 RCR

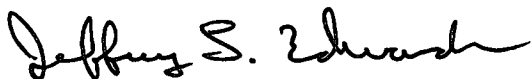

Dear Mr. Reader:

This Department has reviewed your February 11, 2019, response to the Notice of Violation (NOV) issued to Clean Harbors Environmental Services, Inc. on November 13, 2018. Based on this response, and follow-up correspondence with Ms. Saunders, it has been determined that all violations and concerns cited in the NOV have been adequately addressed.

Because some of these violations are considered high priority violations, the Department reserves the right to refer this matter to the NDEQ Legal Services Division for appropriate action. Such action may include penalties pursuant to Neb. Rev. Stat. §81-1508.02 of up to \$10,000.00 per violation, per day.

Your attention to this matter is appreciated. If you have any questions regarding this letter, please contact Brian Gorman at (402) 471-4210.

Sincerely,

Jeffery L. Edwards  
Compliance Unit Supervisor  
Waste Management Section
